SHIRT WAIST MAN.
HE WILL SOON BE HERE BACKED BY
OFFICIAL SANCTION.

Policemen, Postmen and Even Dis-
tinguished Judges Planning to Go Con-
science-Revolution of the Shirt Waist
Man.

Clear the track! The shirt waist man is
coming. You must get out of his way and not
attempt to hinder his progress, unless you
want to be hurt by the shirt waist man.
The shirt waist man is a product of the age and has been
magnified by the evolutions of the
age.

The shirt waist man, briefly described,
is the member of the male sex who has
succeeded in adopting the dainty, clever
and bewitching custom of the other half
of the human race in appearing in public
dressed in a shirt waist. To drop only the coat is
not sufficient qualification for entrance
into the ranks of the shirt waist man. The
vest also must go, and the happy man
must appear in the full glory and bloom
of his shirt. The shirt waist man is a
product of the age and has been
magnified by the evolutions of the
age.

Indications are multiplying that during
the coming season shirt waists for men
will be the "real thing." The shirt
waist for men is really a thing of
beauty and promises to be the
wearing of a specially made shirt
waist, with a little bow or blouse-like
effect just over the trousers top. With
the shirt waist man is known as a
high band collar and, usually, a bow tie.
Buttons are rigorously tabooed, and
no one may be known as a shirt waist
man who does not replace them by a
belt passing through straps on his
trousers.

—While doing some business at the
factory of Gordon & Kiley a drummer
left his horse and carriage in the street.
The horse soon became restless and ran
away but had gone only a short distance
when Edward Tobin, who was working
nearby, jumped into the street and stopped
him. In return this he was amply
rewarded by the owner.
—The 2:30 car from Hingham on Tues-

near the herring run. The accident was
caused by the breaking of one of the
wheels and before the power could be
cut off the car had dashed against an
electric pole damaging the pole to a con-
siderable extent but causing no other
damage.
—The Defender was out for practice
last Friday night and while no special
effort was made for distance playing and
no accurate measurement made of the
stream, it was outside of the 200 feet
limit. The statement published in Bos-
ton and other papers that the Defender
will compete for honors at Lovell's grove
on Memorial Day is without authority,
and it is hardly probable the machine will
be taken out on that day.

WHEN tea was first introduced
into Germany, 200 cups a day
were recommended as beneficial to health.
This sounds absurd, but we do not
realize how tea is weakened by exposure
to the air. Probably the first tea used
in Germany had lost most of its
strength. Even to-day it takes a good
many cups of tea that has been exposed
long to the air to equal one cup of
Chase & Sanborn's "Original Package"
teas. These "Original Package" teas
are really very inexpensive, because so
little need be used.

Learn that people stayed away from church on Sunday for fear of smallpox, while in some other places people stayed away simply because they wanted to.

The canoeing season has opened up with more than usual vigor. Up to date it promises to beat the thin ice record for canoeists.

When twelve men hear all the evidence in a case and declare the accused "not guilty," the verdict must stand, but as things have gone in Massachusetts the last year, it looks as though under was the easiest crime in the catalogue to escape punishment for committing.

Dr. Lyman Abbott was not far from right when he inveighed against reading-rooms, clubs and kitchens as means to be used in keeping up an interest in churches. Clubs, reading-rooms and kitchens are good in their respective places, but a church which hasn't spiritual life enough to live without them can hardly be said to be in a healthy condition.

Allegany County, Pa., has an \$8,000,000 lot of it. It is paying, says Erie County, N. Y., has a similar debt of over \$10,000,000, and there are innumerable other debts of the same kind all over the country, and no experience of the past seems to have been in averting strikes and labor difficulties, as is evidenced by the war now on at Albany.

The difficulty springing into giant proportions the first day and has already cost a number of lives and an immense loss of property.

It is seldom that the parties aggrieved in labor difficulties, participants in the riots which follow, but most invariably strikes have been followed by social disturbances, and the final bill must be paid by parties who were neither the employer, employee, or a part of the riot.

Fact calls for a serious consideration of the problem of labor and capital and the philosopher who can suggest a remedy will confer a blessing on future generations.

The assessors are having their busy month and we all hope they will find at least \$20,000,000 in the treasury and then a reduced tax rate.

CONGRESSIONAL DISTRICTS.
The special committee of the House and Senate on redistricting the state, has made its report, and Massachusetts will have fourteen instead of thirteen representatives in Congress.

It looks as though there would be twelve more republican districts and two which may be counted as democratic.

There were comparatively few changes made in the twelfth district, of which Weymouth was a part, but it will now stand as thirteen instead of twelve. It will be a district of 198,760 people, and according to the last congressional vote there were 15,151 republican votes and 5,568 democratic, leaving a republican majority of 7,786.

Died at Salt Lake City, Utah.
The sad news reached here on Wednesday of the sudden illness and death of Mrs. Elmer Abernethy of Braintree.

Mr. and Mrs. Abernethy had enjoyed a trip through the west to Denver and but a few days previous to this fatal ending of their excursion they had been with Mrs. Norton of Denver.

The sympathy of all that knew her is felt for the stricken and bereaved relatives. A young daughter and little son overwhelmed with grief await the return of their lonely father with his precious burden.

TEN YEARS AGO.

East Braintree M. E. Church was Dedicated.

Event Recalled by Appropriate Exercises.

The members and friends of the East Braintree M. E. Church quietly observed the tenth anniversary of the dedication of their church last Sunday. A consecration service was held at 9:30 o'clock a. m. and was followed by the usual morning service at 10:30 at which service the pastor, Rev. A. G. Boynton addressed the young people. At the evening service Henry M. Storm gave a history of the church from the date of its organization, and the pastor spoke of its outlook for the future.

The East Braintree Methodist Episcopal Society was organized in 1891 by William Miller who started the movement by holding weekly prayer meetings at his home. The interest in these meetings increased rapidly and the attendance soon became so large as to make larger quarters a necessity. Miss Faxon's schoolroom was at first used, but was soon found to be too small and the church was built on the site of the present one.

From the date of organization until 1893, the membership of the East Braintree Society was in the South Braintree M. E. Church, but by the beginning of the latter year, the new society had assumed such proportions that it was deemed advisable to erect a church of their own. Plans for the new edifice were made and the corner stone was laid in February of 1893, the dedicatory exercises being held on May 10 of the same year.

The first pastor to be appointed to the new church was Rev. A. S. Staples, who remained but a few months and who was followed by Rev. G. B. M. Rogers. Mr. Rogers remained one year and was followed by Rev. Myron C. Rice who returned to his western home at the end of his pastorate. Rev. Ambrose Field was the next pastor and he held a most successful pastorate of three years. He was succeeded by Rev. W. J. Kelly who was transferred two years later. Rev. F. E. Baker followed Mr. Kelly and at the conclusion of his studies at the Boston University, and a two years' pastorate at this church, he returned to California. Rev. William Kirby, formerly of the Porter M. E. Church, was appointed pastor in 1900, and in April of the present year was transferred to Pawtucket, R. I.

The present pastor, Rev. A. G. Boynton, assumed the pastorate of the church on April 21. He was born in Copenhagen, N. Y., and graduated from the Packets Seminary of New Jersey in the class of 1895, and from the Wesleyan University of Middletown, Connecticut, in 1899. He is at present a member of the senior class at the Boston University by Theology. He acted as assistant pastor of his college church at Middletown, and previous to his appointment here, was pastor of the Rockland Central M. E. Church.

AT THE SHIP YARD.
A Few Notes Concerning the Goings On at the Works of The Fore River Ship and Engine Company.

The tool store building has received a coat of paint during the past week and the large new building on Howard avenue which is to be used as a storage house for patterns is rapidly nearing completion. All of the land owned by the corporation is being enclosed by a high picket fence.

The twin torpedo boat destroyers "Lawrence" and "Macdonough" are still moored near the plant. The date for the official trips has not been announced as yet.

Residents of Quincy Point and the Neck are anticipating with no small amount of pleasure, the proposed visit to the works of Presidential McKinley and his party.

Henry H. Faxon's house at the corner of West Howard street and Howard avenue has been rented to a gang of Italian laborers.

The dredger is at work in the channel opposite the works.

YOUTH ANNUAL.
The Weymouth Grocers and Provision Dealers Union will hold its tenth annual banquet and entertainment in Masonic building, East Weymouth, next Tuesday night. The affair is in the hands of Mr. W. Lynch, Everett Lord, J. O. Bates, E. J. Pitzer, John S. Bacon and W. O. Collier as a committee of arrangements. Bates & Humphrey will be the caterers and a choice menu will be served. There will be musical selections by Frank M. Williams, comedy entertainers, George H. Bond, of Boston, A. T. Faunce, president of the O. C. Association and M. E. Hawes are announced as speakers.

HIGH SCHOOL NOTES.
Principal Richards of Kingston High school visited the school Tuesday.

The High met defeat at the hands of Rockland last Saturday by the score of 9 to 4.

Last Friday the Lyceum debated the question: Resolved, That success in life comes more from ability than from opportunity. The speakers were Leavitt and McPherson 10 vs. Leary and Miss Coffey 6.

The sophomore class gave its reception to the school last Friday night. Owing to the bad weather the attendance was not as large as usual.

The freshmen class will give its reception on Friday evening, May 21.

IN THE BEAR'S GRASP

MANCHURIA EAGERLY DESIRED BY THE RUSSIANS.

Not a Petty Province, but a Rich, Well Protected, Though Undeveloped, Country—its Climate, Resources and People.

When the Russian bear gathers within his embrace any territory, he never lets it go. Such has been the world's experience in the past, with the almost unrelenting pressure of the Russian empire. There is, therefore, every reason to believe that if the czar's government succeeds in obtaining a grant of Manchuria (for temporary occupation), the complete Russian domination of that province may be expected, and it will take its place as an integral part of the Muscovite empire.

Except the bear, we have at most only a commercial interest in the Russian occupation of Manchuria. Its acquisition will be a great advantage to Russia; it is a great, rich, well populated country, a kingdom in itself. Manchuria's wealth is varied, consisting of agricultural and mineral products. Neither of these sources of revenue is, however, as important as the strategic position of the province. It is a key to the Pacific Ocean, and its possession is a matter of great importance to the Russian empire.

WHAT'S IN A NAME?

Benon's Plaster is Pale's Plaster.

In the days of "wild cat" money in the West, the name Benon was used, and currency. They were as stable as gold; their value did not vary with the market. The name of Benon is a name of honor, and a synonym for honesty. It was current all over the world.

On the same principle Benon's Plaster is the universal standard external remedy. To say it is a "good" plaster does not describe it; it is the best possible plaster. For every disease in which an external remedy is available, Benon's Plaster is a synonym for honesty. It was current all over the world.

ONION GROWING.

Points in Commercial Culture From a Successful Experience.

Commercial onion culture is a topic receiving much attention just now. An onion grower of many years' experience presents a review of his methods in Ohio Farmer. Some of its leading points are here given:

"Do you know that our best onions are 'bred up' just as horses or calves are? In fact, they are animals, and can be degenerated just as easily? A writer has truly said: 'An onion tends to degenerate.'"

FRIDAY, MAY 31, 1901.

A "get rich quick" bubble burst in Germany on Saturday. The man who blew the bubble had nearly \$5,000,000 out of it and the people who were going to receive from 20 to 30 per cent. on their investment got a nice experience, but that makes no difference, there will be another one somewhere in a few days and those who didn't get in on this can come in the next time.

It was too bad to arrest Capt. Rand for using the mails for the purpose of selling Lucky Rones. As the "fools" are not all dead, Capt. Rand might as well have let them go for good bricks or green goods.

Rev. Samuel Catheart with his Bonnie Burs Golf Club made a holiday of yesterday. It added to Mr. Catheart's notoriety, but it took an equal amount from his dignity and character as a patriotic citizen and minister of the Gospel.

In his speech at San Francisco, President McKinley said: "I have seen the world, and I have seen the people, and I have seen the future, and I have seen the hope, and I have seen the faith, and I have seen the love, and I have seen the life, and I have seen the death, and I have seen the resurrection, and I have seen the glory, and I have seen the kingdom of God, and I have seen the life of the world to come." This was a very interesting and instructive one, and the class most heartily thank Rev. Willis and Hunt for their kind attention.

HIGH SCHOOL NOTES.

Last Monday Miss Wheeler and the members of the senior class took a trip to Boston to look over the State House by special invitation of Representative Willis. Under the direction of Representative Willis and Hunt, a thorough inspection of the State House was made and later in the day the class attended the meetings of both branches of the Legislature. The trip was a very interesting and instructive one, and the class most heartily thank Rev. Willis and Hunt for their kind attention.

Last Friday the Lyceum debated the question, "Resolved, that the present method at graduation is preferable to the former." The decision was in favor of the affirmative.

The High defeated the Abington High by the score of 8 to 7, last Friday.

The annual Memorial Day exercises were held at the school Wednesday afternoon. A selection from a newspaper of April 15, 1865, was read, describing Lee's surrender, and also a paper written by Dr. W. A. Drake, an eye witness, describing the surrender, and events leading up to it. A character sketch of Lincoln entitled "The Great Commander" was recited by Miss Lane. Mr. Thomas, Dr. Drake and Major Mitchell of the G. A. R. and Mrs. Cushing and Mrs. Cain of the W. C. T. U. were present and spoke before the school.

Lewis Bates '95 has taken a position with J. W. Bartlett for the summer.

Harold Bailey, formerly a member of the present junior class, visited the school this week.

Alfred Gardner '03 has left school to accept a position at the Citizens' market, East Weymouth.

Invitations are out for the Freshmen reception Monday night.

FIRST FIELD DAY.

South Shore Driving Club has had a picnic at South Weymouth.

The first field day of the recently organized South Shore Driving Club was held at the fair grounds, South Weymouth, Memorial Day. Despite the threatening condition of the weather there was a good attendance. The day's program included three races, a 250 class, a 240 class and a free-for-all, one-mile bicycle race; a ball game for a purse of \$50 between the Norfolk and the North Weymouth A. A. won by the latter, and a wrestling match for a purse of \$100 between J. J. Burbank and Billy Watson of Brockton. Won by Mr. Watson. Chandon Fox of Weymouth rode an exhibition two miles on his Orient motor cycle.

Open House.

The Executive Board of the Massachusetts Branch of the King's Daughters and Sons will keep open house at their reception home, Gordon Hall, Hanson, Mass., from June 1st to June 7th. On Tuesday June 4th, eminent talent from Boston will give a concert in the Town hall, Hanson at 7.30 o'clock. Tickets twenty cents. Electric cars taken at Whitman pass near The West. Donations of any kind will be gratefully received.

Whoooping Cough.

A woman who has had experience with this disease, tells how to prevent any dangerous consequences from it. She says: "Our three children took whooping cough last summer, our baby being only three months old, and owing to our giving them Chamberlain's Cough Remedy, they lost none of their plumpness and came out in much better health than other children whose parents did not use Chamberlain's Cough Remedy. One child, who would not eat, began to eat again, and another who was nearly dead, began to live again. This remedy is for sale by all druggists."

MEMORY OF HEROES REVIVED.

Weymouth Pays a Tribute to the Dead and Living.

Memorial Season Observed With More Than Usual Interest.

Without speaking disparagingly of the past, we can safely say that as Memorial season approached, more than the usual interest was taken in having it fittingly observed in town. The surviving members of Reynolds Post have taken a deep interest in honoring those who fell in battle or died in prisons and hospitals, and the living members of the post have had to pay homage to their fallen comrades since their service since their service.

The work of the post has been ably seconded by the Weymouth Relief Corps, James L. Bates Camp No. 4, the Ladies' Aid Society and citizens in general, and the events of the past week have intensified patriotism and raised the standard of loyalty to the flag.

By invitation of Rev. F. A. Poole of the Congregational Church, East Weymouth, the Post and kindred organizations attended service at the Congregational Church Sunday afternoon. There was a large attendance and the following service was followed with much interest: Organ voluntary.

"To Thee O Country." (Eichberg) Choir.

Invocation. Lord's Prayer. (Gregorian) Choir.

Scripture Lesson. Solo. "Still With Thee." (Schnecker) Mrs. Drew.

Prayer. Rev. J. H. Allen. Anthem. "Low in the Ground They're Resting." Choir.

Hymn. "O God beneath Thy Guiding Hand." (Bacon) Choir.

Sermon. (On first page in full) Rev. F. A. Poole. Hymn. "America." (Smith) Benediction.

Organ postlude. The memorial program was arranged and conducted by the chorister, T. H. Emerson, and the regular organist of the church, Mrs. F. E. Load, occupied her usual position.

By invitation of Rev. M. S. Nash of the Universalist Church, Weymouth, the Post and other organizations attended service at the latter church in the evening and again a large attendance was in attendance to listen to an illustrated discourse on the "Civil War," and also the following selections under the direction of C. Will Bailey, chorister, with Herbert A. Hayden, organist:

Organ voluntary. "National Hymns." Solo. "Star Spangled Banner." Mrs. Walter E. Thompson.

Response. "Hear Thou our Prayer." Solo and quartette. "Gates Ajar." Mr. Bailey and Hayden Quartette.

Solo. "He shall give his angels charge over thee." Miss Eric Sherman. Selection. "The City hath no need of the Sun." Choir.

Solo. "After the smoke of the Battle." Mrs. Walter E. Thompson. Selection. "Tenting Tonight." Choir.

Offertory. "O Paradise." Organ. Hymn. "America." Choir and Congregation. Postlude. "Recessional March."

SCHOOLS. All along the line of Weymouth schools, Wednesday was set apart for patriotic exercises, and wherever conditions would allow, flags floated over schoolhouse grounds or buildings, and within the schoolhouse walls teachers and scholars joined in recitation, singing and other exercises of a patriotic nature.

At Memorial Day exercises of Reynolds Post No. 58, G. A. R., made a good deal of veterans to visit the schools, and in addition to other exercises visitors and scholars got much information in regard to the trying times from '61 to '65.

MEMORIAL DAY. As Memorial Day have gone for a number of years, yesterday was a fairly average day; true, the east wind which has prevailed for two months was abroad and some of the men whose vitality is not up to what it was forty years ago were a little chilly at times, yet there was the absence of the scorching sun and blinding heat.

GRAND REUNION. Two Bands of Parish Unite in an Enjoyable Celebration. Androna Witnesses Production of "Trial by Jury" and Afterwards Join in Merry Dance.

One of the largest and prettiest parties that has ever assembled in Fog's Opera House was that of Wednesday evening, the occasion being the parish reunion of the churches Sacred Heart and St. Francis.

During the sacred part of the evening Gilbert and Sullivan's one-act opera entitled "A Trial by Jury," was presented. Vocal solos were contributed by Mrs. Annie Deane Fackham and Master Henry Donlan of Boston, and the Misses Howley and Pratt of Porter appeared in several cake-walk specialties.

ROYAL BAKING POWDER CO., 100 WILLIAM ST., NEW YORK.

THE OLDEST ACTIVE GROCER.

One of Weymouth's Oldest Citizens Claims That Distinction.

William Gray Nash Observes His Ninety-First Birthday on Monday.

Four weeks when he was confined to the house by sickness.

In the early days the facilities for doing a grocery business were few and the line of goods limited. Hundreds of the articles now necessary for a good stock were unknown in those days.

Mr. Nash was united in marriage in 1835 to Dorothy B. Torrey, also a native of South Weymouth and a descendant of one of the earliest settlers. Capt. William Torrey, whose name appears on the records as far back as 1640. He has in his possession a set of China ware, with which he commenced housekeeping, and which remains nearly intact to the present day.

After being in business for twenty years, his quarters became too small and in 1851 he erected the store which he occupies at the present time.

Mr. Nash is still able to hold his own with any and is working every day. His hearing and eyesight are better than many of the young men today, and he is able, without difficulty, to read the daily papers.

He has been a life-long democrat, his first vote being cast for Andrew Jackson. His two sons, William and Kilbridge, are prominent Republicans. William, who is with his father, has served for many years on the board of selectmen, and is at present postmaster at Nash, which position he has held since that office was established. Kilbridge, who is a leading druggist in town, is also at present postmaster at South Weymouth and has for many years been quartermaster of Post No. 58, G. A. R.

Mr. and Mrs. Nash celebrated their golden wedding in 1889.

Mr. Nash died in 1893 at the age of 76. Mr. Nash has been engaged in active business on almost the same spot for seventy years.

Where the United States Began. Some of the many changes wrought by time in the appearance of four of the earliest settlers on our Atlantic coast are strikingly illustrated in a series of views which will shortly appear in "The Ladies' Home Journal." The places are St. Augustine, Jacksonville, Plymouth and New York. The former indications of Jamestown's decay and death as a settlement offer a most interesting contrast to the varied evidence of the gradual development of St. Augustine and Plymouth, and of the gigantic growth of modern New York.

It will be remembered that Mr. Gossop took a position as bookkeeper in the office of the Boston & Montana Mining Co. and was sent to Montana to look after the mine. He was there for some time and upon his return he was found to be a millionaire.

He has continued his active business career and although he has now reached the age when most men have retired from active duties or passed to their reward, he still takes a large share in the management of the store and may be found there every day.

During all these years he has allowed himself but few holidays and has been absent from his place of business but a few times, the longest being a period of four weeks when he was confined to the house by sickness.

QUEEN ESTHER AT GREAT FALLS, MONTANA. The following extract from the Great Falls Leader, "will be of interest to the many friends in this community of Mr. and Mrs. George Gossop who have made their home in the above-mentioned thriving western city."

"Mr. Gossop as Montcalm had a most difficult part, but he did it in a manner that reflected great credit on himself, and was entirely satisfactory to the audience. He was rewarded at times by generous applause."
